

Customize your Abra Suite® software with Abra ToolKit, which allows you to create menus, processes, actions, reports, toolbars, screens and fields to more precisely meet your organization's unique requirements.

Superior Ability to Customize Abra Suite to Meet Your Company's Requirements

Abra ToolKit lets you tailor the way Abra Suite looks and functions, so you can effectively track and record information unique to your organization. By allowing you to customize menus and panels, change actions and processes, even modify reports and toolbars, Abra ToolKit affords tremendous flexibility.

With Abra ToolKit, you can create new fields, or whole new panels, to capture information in Abra HR®, Abra Payroll®, Abra Train® and Abra Recruiting Solution®.

Track the Information You Need and Specify the Format and Order

Abra ToolKit lets you decide how information is categorized and how it's viewed. You can easily:

- Create new actions for employees, applicants and requisitions.
- Change the order of actions and processes.
- Add, remove or change the order of steps within actions.
- Create new groups of custom reports developed in Crystal Reports®.
- Change the order of reports, remove individual reports from within groups, or remove entire report groups.
- Create custom panels complete with individualized toolbar icons.
- Change the order of panels within menus.
- Add new programs created with the Developer's ToolKit to the application sidebar, and launch them as Windows® tasks.

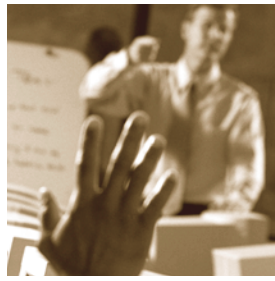

Enhance Your Capabilities with Total Integration

Abra ToolKit is fully integrated with Abra HR, Abra Payroll, Abra Train and Abra Recruiting Solution. It allows complete flexibility in tailoring your human resource information system to meet your company's needs.

One Family of Integrated Products

Abra Suite® is the market leader in HR, payroll, benefits, and compliance solutions. Targeting the needs of small to mid-sized companies, the Abra® family of HRMS solutions provides a comprehensive and robust set of tools to streamline HR and payroll processes. Its line of payroll, recruiting, training, benefits administration and compliance solutions provides a single, seamlessly-integrated database and powerful reporting tools to help businesses increase productivity and tackle challenging HR issues.

One Family of Integrated Products

- Limit your legal liability to employee lawsuits by providing your company with well-documented proof of compliance, with **Abra LearningAction**, the premier, web-based solution for training your employees on sexual harassment and discrimination.
- Streamline your recruiting processes with **Abra Recruiting Solution** which allows you to process resumes through email, text, Internet or image files, then import resumes into Microsoft® Word, eliminating the need for manual conversion.
- Maintain records and training profiles for each employee, ensuring training requirements are met on time with **Abra Train**.
- Expand your attendance tracking capabilities with **Abra Attendance**, which allows easy setup of virtually unlimited variations of employee attendance and time-off plans.
- Prepare organizational charts in minutes with **Abra OrgPlus**. Create and automatically update organizational charts from information already in the Abra Suite database. Once created, you can perform budgeting and scheduling on different organizational structures.

- With **Abra Employee Self-Service**, reduce the administrative burden on the HR and payroll departments by giving employees and managers the flexibility to view and update their personal information using an Internet browser.
- Communicate more efficiently with employees, managers and job candidates using **Abra Alerts**, which sends automatic email messages that monitor dates and events, verify information changes, and send proactive notices for specific actions and dates you specify.
